SPARE PARTS SUITABLE FOR:
**HEAT EXCHANGERS
(PHE), FW GENERA-
TORS, CHARGE AIR
COOLERS &
TUBE/SHELL COOLERS**

Being a former authorized Alfa Laval Marine and Power agent (from 1994 till 2004), IMSE specializes in the supply of PHE and spares.

In 2017, IMSE signed an agency contract with AMI exchangers LTD. This puts IMSE in a position to broaden our supply to customers worldwide. IMSE offers a European made equivalent to the original maker product and for numerous other brands and types.

Apart from this, AMI Exchangers Ltd is well known for its quality and competitive prices. IMSE/AMI is able to supply to customers rapidly around the globe.

All AMI products are covered by warranty and technical support. Products can be offered in Europe and Asia.
